## COMMUNICATION ON SOCIAL MEDIA

Since last year, Natexpo has continued to boost its presence on social media (LinkedIn, Facebook, Twitter and more recently Instagram). Exhibitors, YOU, have to be the first ones to take advantage of this unique opportunity.

We invite you to announce your participation now on your official pages.

-> by mentioning the hashtag **#Natexpo2021**

-> by tagging **@Natexpo** (the showcase page)

We can then **relay your post** and **communicate about your presence!**

Choose your banners to announce your participation:
