2025 SPONSOR

JEAN-PAUL TERRUSSE HEAD CHEF

Ambassador 'Cuisinons + Bio'

Founder of 'Référentiel Restauration Collective'

Success stories

« The Natexpo Awards 🏆 were a key moment for HIBU, and ACCORD BIO's expertise contributed significantly in this. Thanks to their support, we were able to structure our development and make concrete progress towards making our biscuits more accessible in shops. 🍪
HIBU, 2024 Natexpo Awards Winner

It's true that winning the Natexpo Awards gives us a different perspective on this product. It generates interest among our customers and helps us to list it in shops.

Award Ceremony

The Natexpo Awards

20TH ANNIVERSARY

Our partners

Created in 2005, the **Natexpo Awards highlight** the most **innovative, original** and **striking** biological products launched on the market during the year.

11 categories

Dietary supplements

Cosmetics and hygiene products

Eco-friendly home products

Equipment for retail

Ingredients

Vegan

Beverages

Sweet grocery products

Savory grocery products

Fresh products

Seeds

The judges – **made up of journalists, organic experts and distributors** – assess the candidate products on several **criteria** :
innovation, consumer benefits and their main performances.

International Special Mention

For a product submitted by an **international exhibitor**.

Public's favourite

As soon as the results are published, the **Natexpo community** will be asked to choose their favourite from among the winners. It will be officially **announced at the Awards Ceremony**.
